

Sunrise (Eng. Med.) School

Belur, Howrah

SRP/1606/2025-26

16.06.2025

NOTICE

Dear Parents / Guardians

Warm greetings!

We are writing to inform you about some important updates regarding the school schedule post Summer Vacation ending on Tuesday, 17th June 2025.

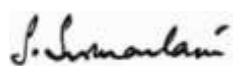

To enhance and upgrade the facilities and provide a comfortable Air Conditioned learning environment for our students of classes L.N, U.N. KG and ISC Sections, essential repair and maintenance work are currently underway within the school premises. Due to a slight delay in the completion of this work and considering the safety of our students, **school will not reopen from Wednesday, 18th June 2025 but shall reopen from Monday, 23rd June 2025..**

We sincerely appreciate your understanding and cooperation as we work towards improving the school infrastructure for the benefit of our students. Should you have any questions or concerns, please feel free to contact the school office. However the School's administrative work shall continue as normal and the school office shall remain open on all working days as per scheduled working hours.

Those whose school fee is not updated are requested to pay upto date, to avoid any fine or re-admission charges.

Thank you for your continued support.

Warm Regards

Sunita Srivastava
Principal
